President's Message

Dear Colleagues,

As summer comes to an end, I hope you had an opportunity to take some time off to relax and reconnect with family and friends. The fall is always a very busy season at YCS as we respond to families seeking help for their children and support all the individuals in our residences and schools as they adjust to new schedules.

Despite the challenging work ahead, there is also an opportunity to engage with participants in restorative autumn activities like apple or pumpkin picking, walks in the park to enjoy the changing colors of the leaves, and seasonal community events.

Tara Augustine

In October, the agency will also be launching our second Employee Engagement Survey. Because of your honest responses, feedback, and suggestions in the first survey, divisional leadership across the agency implemented changes driven by your responses. To kick off this year's survey, YCS will live stream its first Town Hall Meeting on October 17. All employees will be invited to log on and celebrate the accomplishments at YCS as a result of the first survey. You can read about an example of our successes in this newsletter on page 12.

The 2024 Employee Engagement Survey empowers you once again to have your voices heard and be part of the change you wish to see to improve the quality of work life for your colleagues and care for the individuals we serve.

I know the work that we do here every day at YCS can be very challenging. It takes a special person to put their personal feelings aside to help individuals recover from trauma and hardships. You are those people. Thank you for all your seen and unseen efforts. You are genuinely appreciated by me and everyone on the leadership team.

With gratitude,

A handwritten signature in cursive script, appearing to read 'Tara'.

Message from Communications

Sorry for the delay of Volume 15 *Inside YCS* newsletter in your mailboxes. You may notice that some of our favorite sections, the interns corner and leading with heart, are absent in this issue. They will return in the fall edition with all of the newsletter's other sections. Thank you for your understanding and we look forward to receiving all the highlights and photos of happenings at your sites.

Shout Outs

¡TO ALL OUR AMAZING EMPLOYEES!

- ★ **Beverly Izquierdo** attended rounds and not only was she an active member in the day, but she was prompt in answering questions, listening to clinicians, and taking quick action! It was great to have Beverly at rounds as she was able to create changes suggested by the clinicians in real time! Thank you Beverly!
- ★ **Jennifer Wade, Sharon Marshall, Shameya Drain-Mantez, Shona Little, Lisa Guariglia and Ashley Gledhill** Great job to these nurses for all your hard work during PCH-IDD and CSAP inspections!
- ★ **The entire Davis House Team** is incredible. The residential staff are compassionate and caring, working directly with the youth to support their needs. The admin and clinical team are the strongest advocates for their youth and program. Liz Barry does an exceptional job as a leader in this program and all of the staff are truly amazing.
- ★ **Jordan Guglielmino** from Davis House is doing an incredible job as clinician! He continues to go above and beyond for his clients, as well as assisting in other areas throughout the agency to provide clinical support! Great job!
- ★ **Isabella Festa and Frank Franceschini** Thank you for helping out clinically at the Sicklerville Home.
- ★ **Tina Devico Price, Luis Mangual and Mark Scanish** for helping to furnish Vineland, Haddon Heights, Sicklerville, Davis House, Sayre homes and making our programs look amazing.
- ★ **Mark Scanish** and his maintenance team have been such a help with all the programs! Mark is truly the king of maintenance!
- ★ **Bradshaw Vetterly** in always making sure his region has what they need! We always know if we need something, Brad is just a phone call away and always advocates for the best interests of the kids and staff!
- ★ **Al Gregorio** is awesome with the kids at Coopers! Keep up the great work!! You are appreciated!
- ★ **Shakida Faniel** always goes above and beyond in her role as a supervisor. Great work!
- ★ **Sayre House on call RAs!** Everyone has been such a help with picking up shifts and it is very much appreciated!
- ★ **Emily Miller** has been doing awesome in her new role as Residential Assistant! Thank you for all you do.
- ★ **Saniyyah Holt** is an amazing staff member on our team! She continues to help with picking up shifts wherever she's needed and is awesome with the kids!
- ★ **Ernest Jones** is such a great team player, and an amazing worker and role model for our youth! Keep up the great work!

Employee Spotlight

Tamar Hampton, Coopers Crossing Home PD

What Tamar Hampton has accomplished as the new program director at Coopers Crossing PCH is inspiring. In the past six months, she has worked hard with her team to create a positive and healing environment. She conducts groups with the children, where they're learning about positive affirmations, the importance of self-love and care. She facilitates groups throughout the week on meditation. The children have been very receptive to these new activities and are really benefiting from them.

Prior to Tamar's tenure as PD, the home reported several incidents a day resulting in physical controls/restraint. By establishing a therapeutic and structured environment and implementing Nurtured Heart Approaches and strength-based perspectives in all that she does, Tamar and her team have infused a calmer, more hopeful atmosphere into the program. As a result, Coopers Crossing has almost eliminated the need for physical controls/restraints entirely, and since April has had zero physical controls/restraints.

Tamar has a vision for the program and has truly made that vision come to life! She has encouraged her team to put into place a lot of activities to enrich the home's environment and keep the children engaged. They have created diverse, youth-driven spaces throughout the house: an indoor trampoline, two play kitchens, Lego stations, a toy car mat, giant beanbag chair, chalk board walls in each room, and sensory items throughout the house.

Every new youth who is admitted to the home receives a "Welcome Backpack" that includes sensory items, toys, self-care/emotions books, and positive messages welcoming the youth into the program.

Recognizing the importance of including recreation in the children's treatment, she has worked with her team to involve the youth in community sports (football and soccer)! The youth and staff attend regular practices and enjoy being part of a team together!

But Tamar could not do this alone and the supportive, respectful, relationship she is building with her team is crucial to the success of the program. She is a team player - working each shift with her staff to offer support as needed. She has created a staff appreciation station and tells her staff daily how much she values them.

Tamar is great with communication- reaching out to families on an ongoing basis to update them on the children's achievements and current challenges. She wants the families to know about how amazing their children are!

It is clear just by walking into the Coopers Crossing Home the difference Tamar has made. We are so proud to have her on our team!

Southern Region DD Inaugurates Quarterly Staff Appreciation Event

The inaugural YCS Southern Region DD Quarterly Employee Spotlight” recognized the outstanding work performance of 12 employees representing each of the YCS DD homes in the south. Under the leadership of YCS VP Dawn Jones, the program managers put their hearts into creating an inspired evening for all the honorees. The Somerdale YCS headquarters conference room was transformed into a ballroom, tables were set for royalty and true to YCS Southern Region charm, the dinner was prepared by the staff; gift baskets were personally filled to the brim with treats, and every recipient received a hand-written thank you card.

Honoree, Butler Belvins, Residential Assistant at the YCS Blackwood Home was blown away by the evening. “This award makes me feel wanted,” said Belvins when he found out he was nominated by the Blackwood Home team.

The quarterly awards initiative came into fruition as part of the SR Action Plan for 2024 to acknowledge employees. “We wanted to give public recognition to employees for their dedication, sacrifice and service to the youth and adults at YCS....Their continued service to the youth and YCS as a whole is greatly appreciated,” explained Jones.

Congratulations to all the honorees:

Moving On

It's Hard to Say Good-bye!

Kamachee Mandhar worked for 23 years as an administrative assistant for the Newark Campus. Kamachee had a reputation for being a workaholic in the best sense of the word. She was always ready to help any program or department that needed an extra hand. She was a capable and talented colleague. When she filled in as front desk receptionist, she was pleasant and patient. When she was called on to create mailing lists for the parent satisfaction committee, she took on the daunting task with a smile. The children all loved her, and she loved them. When any of the programs needed someone to decorate for a party, she volunteered. Kamachee, you will be dearly missed by everyone in the YCS Family. We wish you much happiness and success in your future endeavors.

Condolences

Our sympathies to members of our Treatment Home program on the passing of Mr. Rudy Vaughn, beloved Treatment Home Parent

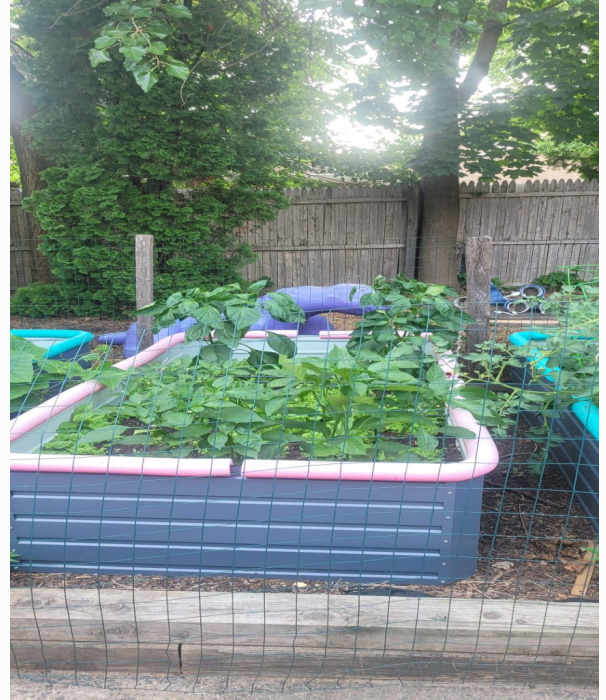

It is with deepest sorrow that Treatment Homes inform you of the passing of one of our Treatment Home Parents, Mr. Rudy Vaughn. Mr. Rudy was a Home Parent at YCS for over 15 years when he passed away on May 28. Mr. Rudy was a very supportive parent who touched the lives of so many of our children under his care. Mr. Rudy will be truly missed by our children, staff and treatment home parents." Every child deserves a champion-an adult who will never give up on them , who understands the power of connections and insists that they become the best they can possibly be," Rita F. Pierson.

How do their Gardens Grow? With lots of love & kindness

The raised vegetable garden beds at Laurie Haven were designed for the kids. Gardening encourages patience as they watch the growth and produce development, every day and eventually enjoy the food on their plates. Cucumbers, sweet peppers, butternut squash, tomatoes, callaloo, various herbs are but a few of the various garden items. With so much effort this year to encourage green thumbs, expectations are high to make it a yearly endeavor.

Nakia McCray, Laurie Haven

The children enjoy watching the plants grow and being a part of the process of caring for them. The name Soothing Gardens was there prior to my joining YCS, however, the kids and myself gave it some new meaning! Mary Leacock at Davis house was a big part of the garden prior to me coming on board.

Congratulations to Vineland Home High School Graduates

Aydan Davis Jones (I) graduated from Bankbridge Regional and Dakota Johnston graduated from Tom's River High School "Both have shown tremendous improvement since admission here at Vineland. And both youths are looking forward to the next step in their future," said **Passion Kennedy**, program director.

Treatment Home Graduates and BBQ Celebration

On June 27, 2024, **Anitra Frayer-Mentor** and **Yajaira Samayoa** Administrative Assistant hosted the Treatment Homes annual BBQ/graduation celebration. The event allowed the youth to play games, complete art projects, meet new friends, and eat a delicious hearty spread of tasty foods. The end of the day was finished, and Mr. Softy stopped by to provide ice cream for each young person and parent. It was great to see everyone smiling, laughing, and genuinely having a wonderful time.

PAT Graduation

The scorching heat did not deter families from attending the **Parents as Teachers (PAT) graduation** at Washington Park in Union City. Thirty moms, dads and their little ones gathered for one final time to celebrate their completion of the program. Every parent eagerly shared what PAT meant to them through tears of gratitude and appreciation. Many determined to stay in touch with their parent educator as they now thought of them as friends. Congratulations to all the families. We wish you the best of luck in the future as your families grow and thrive.

NFP Graduation

Senator M. Teresa Ruiz congratulated 60 young moms at the **YCS Nurse-Family Partnership graduation** at **Turtle Back Zoo** this past Friday and met with the nurses for a short roundtable discussion. Following the graduation ceremony and a luncheon. The moms, their toddlers, family members and friends enjoyed an afternoon in the zoo. We are very grateful to Senator Ruiz for encouraging the moms and nurses. It was truly a happy time for all.

PLP Graduation

New moms currently enrolled in the YCS Parent Linking Program (PLP), graduates, and family members gathered with their children for an end-of-year graduation celebration. Several moms shared their gratitude for the program and their counselors: “My counselor has helped me learn how to manage my baby’s sleep so I can get up in the morning and go to school,” said one high school senior. Another mom said her counselor is like her “second mother”

Lawnridge Summer Bash Cookoff

Barbara May interviewed **Mark Robinson** and **Akee Davis** at the Lawnridge Summer Bash Cookoff.

Barbara : What's your name and what is your position?

Akee: My name is Akee. I work at Lawnridge. I am a residential assistant.

Barbara: And today you're doing a cookoff at your Summer Bash.

Akee: Yes, I am. I am participating.

Barbara: You are cooking?

Akee: I am making some ribs. Beef ribs.

Barbara: Tell me about the special way you make your ribs.

Akee: First, I clean the meat. Then I season the meat and wrap them in three layers of aluminum, so they can suffocate and broil inside the aluminum. That's how I make my ribs.

Barbara: Do you think you will be winning the cookoff today?

Akee: I don't want to say if I'm going to win or lose, but I will say everyone is going to enjoy how my ribs taste.

Barbara: Okay, thank you. We will see what happens today.

Barbara: We are here with Mark, Lawnridge PD, who is doing the cookoff today. Mark, what is your methodology for cooking?

Mark: Today, I'm cooking BBQ spare ribs and BBQ chicken. I marinated the ribs in Hawaiian marinade overnight and marinated the chicken in pineapple marinade because our cookout has a Hawaiian theme. I used apple smokewood rub on the ribs. Now they are on the grill and ready to go. Nice and tender.

Barbara: Who do you think is going to win the cookoff, you or Akee?

Mark: Of course, I am. But the parents are the judges. They will decide.

And the winner is ?

Well, it came down to Mr. and Mrs. Deputy. Mr. Deputy said it was a tie. Mrs. Deputy said both ribs were very good, but Akee's ribs took the prize for her.

Congratulations to Akee!!
